## LEGAL INFO

Terms and Conditions for Return or Replacement of Product Purchased via shop.swatch.th

### a. Unwanted Products

- Our policy is to ensure that you are satisfied every time you place an Order with Swatch Thailand. If you are unhappy with an item when you receive it or if you simply change your mind, by law consumers in Thailand are entitled to cancel a contract for the purchase of an item within seven (7) days from the day after the day the item has been received. Please return the product to us within 14 days from the day you cancel the contract, having taken reasonable care of it and in an unused state with all components. We will refund you the price you paid for that product and the applicable delivery charge but not any postage or collection cost incurred returning the item to us. Where you chose a more expensive delivery option, we have the option to only reimburse you up to the amount you would have paid if you had chosen the least expensive common and generally accepted form of delivery offered by us.

- You must take reasonable care of the products until returned. For example, if a watch arrives back to our logistics centre with the bracelet or strap damaged in any way (not due to our fault or negligence) or not in its original condition, then we reserve the right to deduct the costs for a new bracelet or strap from your refund of the price of the watch. If possible, please include your despatch note and all packaging intact.

- We will make the refund directly to the credit/debit card used to place the original order within 15 days of the day we receive the notice of cancellation of the contract.

- You will only have to pay for the return postage of the Products.

- Certain products and services are excluded from this returns policy.

### b. Faulty Products

- We try to select and package the items as well as possible to ensure they arrive in good condition. However, if an item arrives damaged or with defects, or is not what you ordered, we will replace it free of charge or provide a full refund as appropriate in accordance with your legal rights, if you notify us that you are rejecting the product within 30 days of receipt. You must then return the product to us (unless we agree otherwise).

- In these circumstances we will also pay you the reasonable cost of the return postage. Please obtain a proof of posting certificate from your Post Office to facilitate our processing the refund for your return postage costs.

- We will make the refund directly to the credit/debit card used to place the original order once we have confirmed to you that you are entitled to a refund for the damaged or defective product.

- For help with faulty items later than 30 days after your delivery please contact us to discuss your options. This does not affect your legal rights.
